

# Excel price lists via FTP

## Step 1

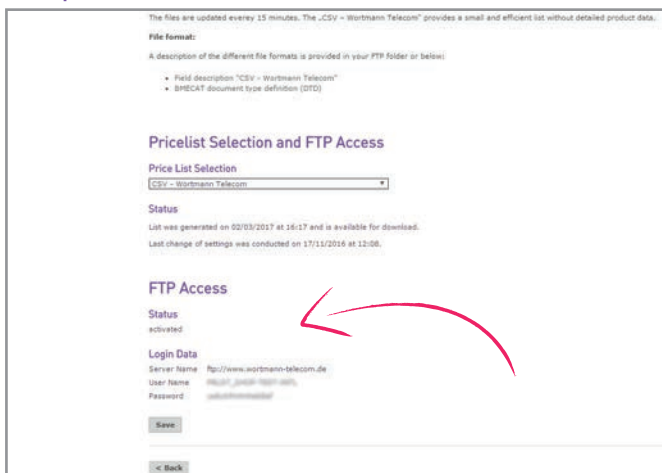

- Enter your webshop with your login [here](#).
- Click on „**My account**“.

## Step 2

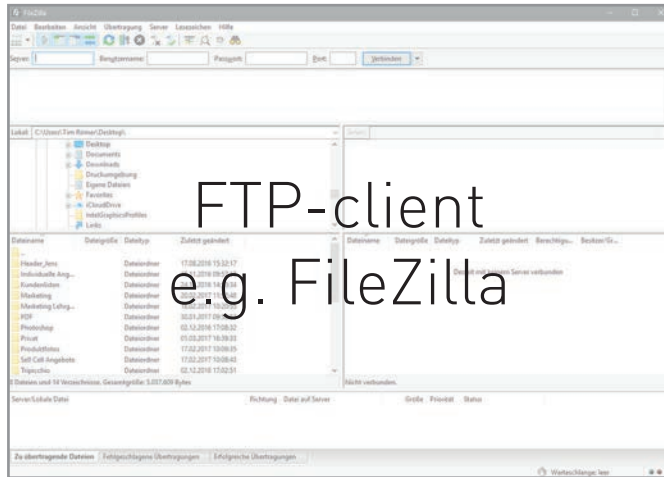

- Click on „**Download Price List**“.

## Step 3

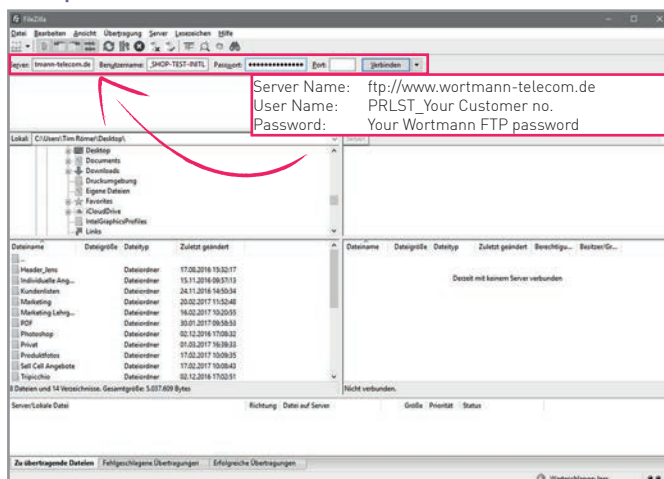

- Scroll to the bottom of the side.
- Here you will find the data needed to **access FTP**.

## Step 4

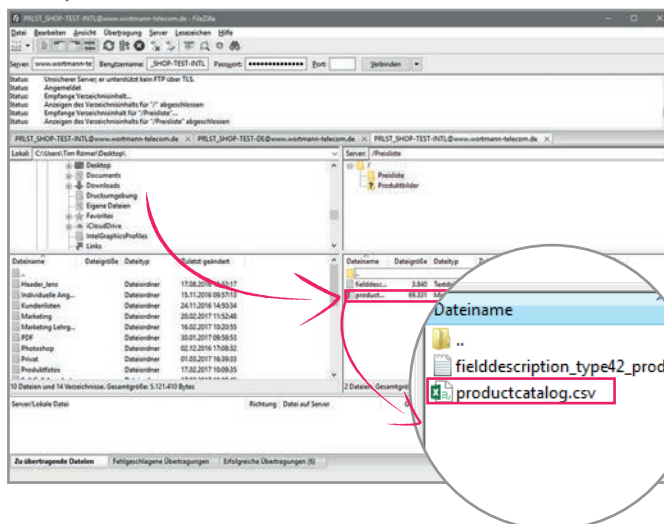

- Open your FTP client.
- For example „[FileZilla](#)“.

## Step 5

- Enter the **access data** from our site.

## Step 6

- Now you can download the latest price list.
- It is called always „**productcatalog.csv**“.
- **Updates:** The files are updated every 15 minutes. The „CSV – Wortmann Telecom“ provides a small and efficient list without detailed product data.
- Finished!
