General Information

1. Customer number

Your customer number (5 digits) at WORTMANN TELECOM (see »My account« → [Company details](#) | Login data for the WORTMANN TELECOM webshop required).

Attention: The WORTMANN AG customer number only works for purchases from WORTMANN AG. If you make a purchase via WORTMANN TELECOM, you have your own customer number!

Details for online orders

2. Login online order

Your login ID for the EDI connection starting with "biztalk_" (see »My account« → [Electronic order connection](#)).

3. Password online order

Your password for the EDI connection (see »My account« → [Electronic order connection](#)).

Information for individual price queries in real time

4. Login price query

Your webshop ID (login ID). The login name is always your e-mail address with which you are registered with WORTMANN TELECOM.

5. Keyword price inquiry

Your password hash (see "My account" → [Customer Webservice](#)). Your password hash changes every time you change your password for our webshop.

*Attention: In order for you to be able to place an order without any problems, the fields for the **individual price inquiry** must also be filled in!*
