Leasing

Whether it's hardware or software, finance your investments from your current income – pay as you earn!

from € 750 net

Hire Purchase

If you'd rather finance your equipment than buy it, you can make high investments with our hire purchase. Spread your payments over the life of the investment object.

from € 2.500 net

Service Leasing with maintenance & service

Complete IT - with maintenance, on-site service, remote monitoring and a full guarantee. Reliability, the performance and availability of your IT systems have the highest priority. The technical service during the product cycle poses a potential financial risk. Our lease models with integrated service and maintenance agreements offer your customers the security of the agreed service at predictable costs within the service level agreed with you.

from € 750 net

Project and innovation solutions

Every project is different. That is why every financing solution has to be designed individually. Our framework agreements make it easy: Together we define your customer's needs for a certain period of time and agree a condition for the entire investment.
